# ROTARY<sup>®</sup>

BY ROTARY SOLUTIONS

**WIRELESS HANDHELD CONTROLS** POWERED BY EXCLUSIVE **RedFire 2.0 TECHNOLOGY**

**LIFT ANYTHING ANYWHERE!**   
**NO CABLES. NO CORDS.**

Nothing beats the unmatched versatility of Rotary's wireless FLEXMAX™ mobile column lifts. These customizable lifts allow shops to add a wide array of additional functionality to their heavy duty vehicle service.

**THE FASTEST SET UP TIME AND EASIEST OPERATION IN THE INDUSTRY!**

**Control FLEXMAX™ columns from anywhere in the bay**

- Remote controlled lifting leads the tech through system set up offering a 2x faster set up time
- Technicians work in the most productive, comfortable, and efficient way possible

## SHOP-FRIENDLY COLUMN CONTROLS

Control and cycle lifts from any column - select and change column groups - single, pair, or all columns anywhere in the bay

## GREATER WIRELESS OPERATION

Featuring our industry-leading wireless pendant, FLEXMAX™ lifts offer excellent performance in shops with wireless networks and equipment - up to 10 times better performance in a noisy environment!

## STANDARD LOCK LIGHT™ HELPS PROTECT YOUR TECHS

Located on each column, our exclusive LockLight™ Technology activates a highly visible overhead light every time a lift is fully rested on its locks, providing technicians and shop owners peace of mind.

## LESS MAINTENANCE. LESS REPAIRS.

The inverted hydraulic cylinder rod located inside its carriage protects the lift's chrome piston rod from debris and damage extending the cylinder's life reducing maintenance costs.

## FLEXMAX™ 19

**18,800 LBS. COLUMN CAPACITIES**

Group of 2 columns / 37,600 lbs. Capacity

**Clearance / fork to column:** 10" (254 mm)

**Speed of rise:** 78 seconds

**Charging voltage:** 110 - 240V charger  
(3 amps max.)

**Lift color is black**

## TECHNICIAN BENEFITS

**Easy-to-use mobile columns** can be configured for use on a wide range of vehicles, and Rotary units are easy to move in and out of place.

**Protection is a major benefit** when compared to creepers, mobile columns let techs stand up to do their work, keeping hot parts safely away from your employees.

## BUILT BY US

**Built in Madison, Indiana, FLEXMAX™ lifts** are and backed by Rotary's 100-year heritage as the world's most trusted automotive lift, and supported by the industry's largest authorized distributor, installer, and service network.
