RAISED IN
MADISON,
INDIANA

*For use with two FLEXMAX™ 19 or two FLEXMAX™ 14 series column lifts. Lifts sold separately.

PLEASE NOTE: Most 6,000 lbs. to 10,000 lbs. capacity forklifts weigh from 10,000 lbs. to 18,000 lbs. or less. Regardless, the forklift weight should always be verified before being lifted.

FLEXMAX™ LIFT SERIES MATERIAL HANDLING PLATFORM KITS*

REDUCE SERVICE COSTS AND INCREASE FLEET UPTIME

LIFT YOUR SERVICE WITH THESE MATERIAL HANDLING SOLUTIONS

Low profile kits provide a durable platform for forklifts to easily drive up onto. Adapter assembly engages truck forks and captures the forklift within itself for secure lifting.

- Better access and visibility
- Requires no dedicated floor space
- Includes standard storage cart
 - Raise forklifts up to 69" high
 - Mobile column width: 45 1/2"
 - Charging voltage: 110-240V
 - Lift color is black
